NOTES TO FINANCIAL STATEMENT

1. GENERAL:

IAT Markets, LLC (the "Company") was organized on July 19, 2000 and is a registered broker-dealer subject to regulation by the Securities and Exchange Commission ("SEC"). The Company is also a member of the National Association of Securities Dealers, Inc. ("NASD").

The Company is authorized to act as an introducing broker in the trading of debt and equity securities on a "give-up" basis. The Company will not hold customer funds or safe keep customer securities.

The Company was not actively engaged as a broker-dealer during the year ended December 31, 2005.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents:

The Company considers all highly liquid investments with maturities of less than three months when purchased to be cash equivalents.

Capital Contributions:

The sole member, International Asset Transactions, LLC intends to infuse sufficient working capital to meet operational shortfalls and continued compliance with minimum net capital requirements. During the year ended December 31, 2005, the sole member contributed \$23,497 of additional capital. (See Note 3)

Income Taxes:

As a limited liability company, the Company is not itself liable for federal or state income taxes. The member is responsible to report separately the distributive share of member income or loss to tax authorities. It is currently anticipated that amounts to be withdrawn by the member to meet its future income tax liabilities will not significantly affect the financial condition of the Company.

3. RELATED PARTY:

The Company entered into an expense sharing agreement with its sole member, International Asset Transactions, LLC. Pursuant to the agreement, the sole member contributed capital to the Company in the amount of \$23,497.

4. NET CAPITAL REQUIREMENTS:

The Company is subject to the net capital requirements of rule 15c3-1 of the Securities and Exchange Commission, which requires a broker-dealer to have at all times sufficient liquid assets to cover current indebtedness. In accordance with the rule, the Company is required to maintain minimum net capital of the greater of \$5,000 or 1/15 of aggregate indebtedness, as defined. At no time may the ratio of aggregate indebtedness to net capital exceed 15 to 1.

At December 31, 2005, the Company had net capital of \$ 9,768, which was \$ 4,768 in excess of its required net capital of \$5,000. The Company had aggregate indebtedness of \$9,750 and its ratio of aggregate indebtedness to net capital was 1.00 to 1.

5. OFF-BALANCE-SHEET RISK AND CONCENTRATION OF CREDIT RISK:

The Company, as an introducing broker, will clear all transactions with and for customers on a fully disclosed basis with a clearing broker and promptly transmits all customer funds and securities to the clearing broker who carries all of the accounts of such customers. These activities may expose the Company to off-balance-sheet risk in the event that the customer and/or clearing broker is unable to fulfill its obligations.

The Company does not maintain margin accounts for its customers and, therefore, there were no excess margin securities.

The Company seeks to control off-balance-sheet risk by monitoring the market value of securities held in compliance with regulatory and internal guidelines.

The Company's Statement of Financial Condition as of December 31, 2005 is available for examination at the office of the Company and at the Regional Office of the Securities and Exchange Commission
